

The Cross Line Laser for professionals:

Small housing, large range

NEW! GLL 2 Professional

The new cross line laser
for professionals from professionals

BOSCH

Invented for life

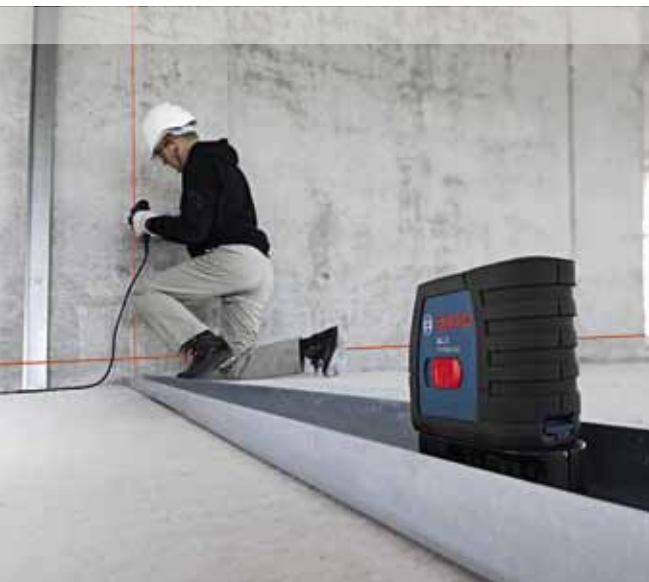

GLL 2 Professional

The most compact cross line laser for professionals

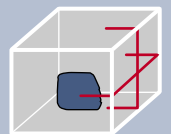

Tested by professionals:

“The compactness and good visibility of the lines convinced me. The GLL 2 Professional fits in your trouser pocket and can’t get lost on the construction site.”

- ▶ Small, lightweight, always within reach
- ▶ Easy handling due to single-button operation
- ▶ For flexible use: with multifunctional mount for versatile fixing possibilities
